

Instructions on how to zip an import .ast file with Windows or Mac:

Windows 10, Windows 8.1

1. Locate the file you want to zip.
2. Right-click on the file
 - select *Send to*
 - select *Compressed (zipped) folder*.

A new zipped folder with the same name is created in the same location.

Max OS X

1. Locate the items to zip in the Mac Finder (file system)
2. Right-click on the file
3. Select *Compress Items*
4. Find the newly created .zip archive in the same directory
